Disclaimer

This policy applies to Finior Capital Limited (“Company”, “we”, “our”, “us”) and extends to and covers all operations and functions of the organization related to all third parties (including customers, suppliers, subcontractors or agents). Finior Capital Limited provides this policy free of charge on its Website.

While Finior Capital Limited, mentioned in this disclaimer, makes the best efforts to ensure that the information provided by our Website, Electronic Trading Services and the products we provide are accurate and effective under our strict scrutiny, all users of our Website are still advised with:

- 1.** Information and related products have no explicit warranty, and none can be implied as to the accuracy, completeness or timeliness of any such. All information is provided “as-is” other than those warranties implied by and incapable of exclusion, restriction or modification under applicable law.
- 2.** All information and related products whatever the nature provided on our Website do not constitute in any way an offer, solicitation or incentive to the public to sell or buy any Contract For Differences (CFDs), any similar and assimilated products or any other type of financial instruments provided by us.
- 3.** The users of our Website acknowledge and agree to the fact that, by its very nature, any investment in CFDs and similar and assimilated products is characterized by a certain degree of uncertainty and that, consequently, any investment of this nature involves risks for which the user is solely responsible and liable. Investments in securities or derivatives may decline in value, which may result in the loss of your entire investment and capital.
- 4.** Prior performance of any financial products can’t be served as a guarantee for future performance, and nothing herein should be interpreted to state or imply that past results or trends are any guarantees of future results.
- 5.** Our Website and Electronic Trading Services users should acknowledge and agree to the terms that Finior Capital Limited would not take responsibility to the use of the information and related products included in this Website and Electronic Trading Services, as well as any decision which the users may take regarding a possible purchase or sale of CFDs and similar assimilated products. The users of the Website and Electronic Trading Services are solely responsible and the liable party for the decisions made by them with regards to the services offered by Finior Capital Limited.
- 6.** Users of our Website and Electronic Trading Services are also hereby notified that we do not at any time provide financial advice to individuals nor assist nor advise in any way in regards as to the personal financial situation of any individual. None of the information provided on or through the Website constitutes individualized investment advice or any legal, accounting, tax or other professional
